PHASE 1

AT INTAKE — needed to build your university shortlist

Submit these first. The shortlist (Reach / Match / Safe) is built from this set alone.

	Document / information	Notes
☐	Passport (front + back scan)	Valid 2+ years beyond travel; renew now if close to expiry
☐	10th marksheet	Required by every university
☐	12th marksheet + passing certificate	Bachelor entry; also requested for Masters
☐	Degree certificate + ALL semester transcripts	Master applicants — CGPA decides Reach vs Safe
☐	English proficiency status	IELTS / TOEFL / PTE score, exam booking date, or MOI-letter option. Typical bar: IELTS 6.0–6.5
☐	Field & level preference	e.g. “MSc Data Science” — drives the entire shortlist
☐	Family income + assets (INR / year)	Decides DSU scholarship eligibility (fee waiver + stipend + housing)
☐	CV / Resume (draft is fine)	Europass format preferred; reveals gaps early
☐	Backlogs & gap years, if any	Affects which universities we target

PHASE 2

START IMMEDIATELY AFTER SHORTLIST — long-lead documents

These have the longest processing times. Starting late here is the #1 reason students miss an intake.

	Document	Lead time	Notes
☐	CIMEA Statement of Comparability (or consulate Declaration of Value)	2–3 months	THE critical-path item. Start the same week the shortlist is agreed. CIMEA is usually faster than DoV
☐	Apostille of certificates (MEA)	2–4 weeks	Often required before / together with CIMEA
☐	English test (if score pending)	1–2 months	Booking-to-result time; book the date at intake
☐	SOP / Motivation letter	1–2 weeks	Tailored per top-choice programme; counsellor reviews before submission
☐	Letters of Recommendation (1–2)	2–3 weeks	On institution letterhead; professors are slow — request early
☐	ISEE Parificato income documents	3–4 weeks	ITR, income certificate, property + bank statements — unlocks the DSU scholarship

PHASE 3

AFTER ADMISSION — pre-enrolment, scholarship & visa

Collected once an offer arrives. University pre-enrolment is mandatory: no pre-enrolment = no visa.

	Item	Notes
☐	University pre-enrolment submitted	On university.it; validated by the university — mandatory for the visa
☐	Admission / offer letter + deposit receipt	Confirm acceptance by the university's deadline
☐	DSU scholarship application	Regional agency portal; window usually July–September

	Item	Notes
☐	Financial proof for consulate	Bank statement / sponsor affidavit — verify the current required amount (revised yearly)
☐	Health insurance	Minimum €30,000 coverage for the visa
☐	Accommodation proof	Booking, rental contract, or university housing letter
☐	Visa application + VFS appointment	Type-D student visa; book the slot early — they fill fast
☐	Passport photos 35 × 45 mm	White background, recent

SCAN RULES — read before sending anything

1) Colour PDF scans only — no phone photos, no glare, no cropped edges. 2) One document per file. 3) Name every file: **Surname_Name_Document.pdf** (e.g. Sharma_Ananya_12th.pdf). 4) Send everything in one folder / drive link, not loose files on WhatsApp.
